# FIC Academy Stage 2nd batch Application Form

## Regarding Handling of Personal Information

At the Academy, we collect your personal information through applications, submission of output materials in the course, and team activities. Personal information will be used by Fujitsu Limited, Fujitsu Learning Media Co., Ltd, Fujitsu HRs related to applicant, people in charge of innovation program in the Fujitsu Group and an external lecturer who has been appointed, to implement necessary matters for smooth course management. We will not provide your personal information to any third party other than the above. In addition, if you are selected by the lottery and become a participant, the session scenes could be shared inside and outside the company. In that case, there is a possibility that your face photo will be used.

If you do not agree to obtain personal information, you cannot apply to Academy. We will handle your personal information appropriately in accordance with our company's privacy policy.

For information on disclosure, correction, deletion or suspension of use of personal information, please contact the following contact:

=====
